

Katrina Sawa's Personal Recommendation Rolodex!

Compliments of Katrina Sawa, the JumpStart Your Biz Coach,
www.JumpStartYourMarketing.com www.KatrinaSawa.com and
www.LoveYourselfSuccessful.com
Jumpstart Your Lifestyle and Your Business Today!

Revised 8/2015

Please Note:

- (1) As much as I recommend these resources, I do not accept responsibility for any purchases you make, business you conduct, or relationships you may initiate with anyone listed in this directory.
- (2) The nature of directory publishing is that listings may become inaccurate as time passes. Please direct any bad links or changes in information you may learn of to my team at info@jumpstartyourmarketing.com.
- (3) I may receive compensation from some of the entities listed for referrals, as their "thank you" for sending people their way. However I NEVER recommend any service or product solely for the reason of receiving commissions (and neither should you) – my reputation is on the line.

An * next to the vendor means that I currently use, have used before and/or highly recommend this vendor or product!

I hope this resource rolodex is helpful for you, if you need further assistance in starting, growing and/or marketing your business please ask me, I'm sure I can help you. I have all kinds of coaching programs (1on1 or in groups), business and marketing products for do it yourselfers and bi-annual live events, teleclasses and more. Make sure you're receiving my email newsletter, video tips and more by going to www.JumpstartYourMarketing.com/freegifts.

Enjoy!
